

Bare Naked In Public

An earnest and humorous account of one modern American woman trying to have it all
Christine Amoroso

Sometimes you have to risk baring it all.

Christine Amoroso did everything right to achieve the perfect life. Falling for a sandy-haired surfer and landing pregnant at seventeen, she knew the “right” thing to do. She could have it all, even if in the “wrong” order: beautiful children, a good marriage, and approval from those around her. Until it all fell apart.

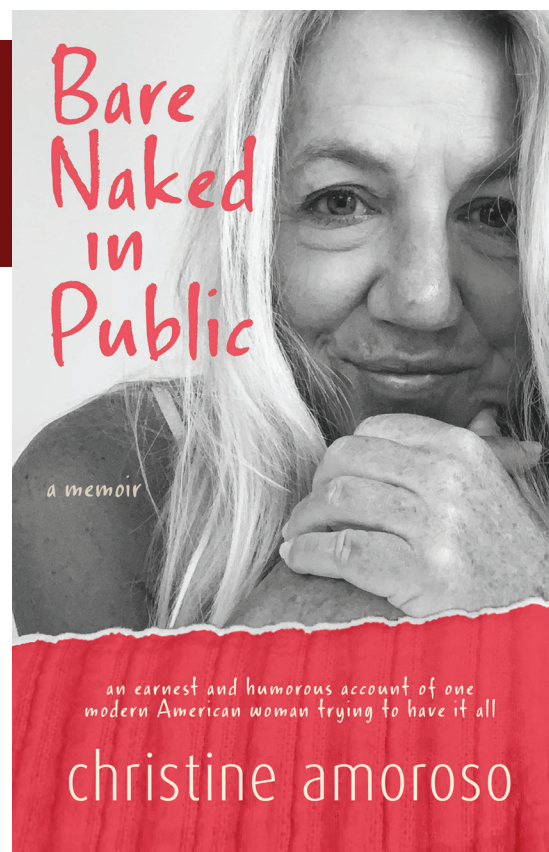

Ever the overachiever, she continued to take on too much, finishing college with two kids in tow. But as her responsibility grew, so did her resentment. A stressed-out young mom, an inattentive husband, and the attention of another man made the perfect recipe for disaster. Hard work and responsible decisions had not guaranteed a happy life or lasting love. She had failed, and now she floundered as she tried to find a fresh start. She turned inward for answers rather than seeking external validation.

After a few missteps, she slowly learned her worth couldn't come from a list of accolades, achievements, or some guy. Her story is an earnest and humorous account of what it's like to be a modern American woman trying to have it all and the dangers of losing oneself in the process.

Bare Naked in Public is a must-read memoir for burnt-out overachievers seeking answers about their worth while finally forgiving their past.

“It is high time to move away from what was and step into what will be, something new. You are ready for this; you are ready for big changes. Have faith.”

About the Author

Christine Amoroso resides in Southern California, where she grew up and raised a family. She started her career in education as a teacher before becoming a school principal. Craving a creative outlet, she started a blog. When she's not writing, she power-walks along the coast, plays soccer, and indulges her grandchildren. She travels abroad every chance she gets.

Christine's memoir *Bare Naked in Public* reveals a private life in stark contrast to her professional success. Ready for change, she embarks on a soul-searching journey, and gets an unexpected second chance at love. Finally, her happy ending is here. Until it's not.

Fun Fact

I started playing soccer when I was 30 years old and 33 years later I still play most Sundays.
